

U.S. HIDES & SKINS EXPORT SUMMARY

*Please note, LHCA has received increasing reports from members that hides and skins volume data is inaccurate. LHCA is working with USDA and Customs to ensure greater accuracy in both the monthly and weekly data sets. In particular, the agencies are reviewing the quantity of hides exported and will issue revised figures once their assessment is complete. This process may take a few months, but LHCA will share updated volume data when it becomes available.
